  - b) rule, policy, guidance or recommendation issued by any governmental, statutory or regulatory body; and/or industry code of conduct or guideline,
- which relates to (i) the Contract; (ii) the Goods and/or Work Products (including their use, resale or importation); and/or (iii) the Services;
- “Contract” means this Contract for the supply of Goods;
- “Condition” means individual parts of this document which together make the Contract;
- “Goods” means the physical deliverables described in the Order and any replacements and in case of an Order for services or work includes (where the context so permits) the services to be supplied or work to be performed pursuant to the Order;
- “Order” means the Order placed by the Purchaser for the supply of Goods on these conditions and includes all Specifications pursuant thereto;
- “Purchaser” means WFEL Limited;
- “Specification” means the description or drawings of Goods and detail (if any) of their manufacture and performance;
- “Supplier” means the person, firm or Purchaser to whom the Order is addressed;
- “Services” means the services to be performed by the supplier for the Purchaser, including any work product which may be required as part of the provision those Services, as further described in the Purchase Order (if any);

The headings are for convenience only and shall not affect construction of these conditions.

Words in singular shall include the plural and vice versa.

Any reference to statute or other legislation is a reference to it as in force at the time of contract and the Supplier shall take account of any amendment, extension or re-enactment at the time of execution of the Contract.

### 1. EFFECT OF THESE CONDITIONS

- 1.1. All terms and conditions proffered by the Supplier are hereby excluded. No variation to these Conditions shall be effective unless agreed in writing, signed by an authorized person on behalf of the Purchaser. Acceptance of Supplier’s conditions of sale or any other terms inconsistent herewith shall not be implied from any act or omissions on the part of the Purchaser.
- 1.2. All variations to the Conditions agreed at the time of placing the Order are specified on the Order. In the event of inconsistency between these Conditions and the terms of the Order, the Order shall prevail.
- 1.3. The Purchaser reserves the right by reasonable notice to the Supplier to vary the Goods detailed in the Order and any alteration to the Price or delivery date arising by reason of such modification shall be agreed between the parties and evidenced formally by means of Order update.
- 1.4. The Contract shall become binding and these Conditions shall be deemed to have been accepted by the Supplier on the acceptance of the Order by the Supplier (either verbally or in writing) or on delivery of the Goods, whichever is the earlier.

### 2. QUALITY

- 2.1. The Supplier warrants and represents to the Purchaser that the Goods shall:
  - 2.1.1. Conform in all respects with the specification and other particulars identified in the Order including any variations;
  - 2.1.2. Conform in all respects with the requirements of any statutes, orders, regulations or bye-laws from time to time in force;
  - 2.1.3. Be provided in accordance with generally recognised commercial practices and standards in industry;
  - 2.1.4. Be provided in accordance with any Applicable Laws and regulations;

- 2.1.5. Be of satisfactory quality and free from defects in materials and workmanship;
  - 2.1.6. Be fit and sufficient for the purpose for which such Goods are ordinarily used and for any particular purpose made known to the Supplier by the Purchaser and the Purchaser relies on the skill and judgement of the Supplier in the supply of the Goods and execution of the Order.
- 2.2. The Supplier shall permit the Purchaser, or its authorised representatives which may include the Purchaser's customer, to make any inspection or tests it may reasonably require in relation to the Goods and the Supplier shall afford all reasonable facilities and assistance free of charge at the Supplier premises. The Supplier shall make good any defects or deficiencies in the event of any failure (in the sole opinion of the Purchaser) to comply with the terms of the Order or the Contract. Failure to make a complaint at the time of such inspection, tests or approval given during or after such tests or inspections shall not constitute a waiver by the Purchaser of any rights or remedies in respect of the Goods.
- 2.3. Items that have a shelf life shall, at point of delivery to the Purchaser have no less than 80% of life remaining. Items with less than 80% of life remaining shall be rejected back to the Supplier for immediate replacement.
- 2.4. The Supplier shall have processes in place that proactively mitigate risk of counterfeit materials being provided.
- 2.4.1. The Supplier shall, unless expressly directed otherwise by the Purchaser, only purchase products to be delivered or incorporated as Products to the Purchaser directly from the original component or equipment manufacturer or through an authorised distribution chain. Products shall not be purchased from independent distributors or brokers unless approved in advance in writing by the Purchaser with full details of the reasons for such purchase being fully disclosed by the Supplier.
  - 2.4.2. If so requested by Purchaser, the Supplier shall provide documentation that authenticates traceability of the affected items to the applicable original component or equipment manufacturer.
- 2.5. The Supplier shall not without the Purchaser's express permission via Concession modify the specification, any such concession shall be identified on the certificate of conformity.
- 2.6. The Supplier shall have an accredited ISO9001 Quality Management System, or similar and is able to demonstrate compliance to that standard. The Purchaser may, from time to time, audit the supplier's Quality Management System.
- 2.7. The Purchaser is accredited to ISO14001, the Supplier is expected to have achieved this standard or can demonstrate compliance to the requirements of the standard.
- 2.8. Incidents of non-conformance reported by WFEL must be dealt with in a timely manner by the Supplier. Minimum expectations are as follows:
- 2.8.1. Satisfactory containment of the issue within one working day.
  - 2.8.2. Evidence of root cause analysis and corrective/preventive action activity commencing within three working days of notice.
  - 2.8.3. Any actions identified may be audited by WFEL at any time.
  - 2.8.4. Any costs associated with non-conformance will be passed on to the Supplier.

### 3. SPECIFICATION

- 3.1. The quantity, quality and description of the Goods and/or Services shall be as specified in the Purchase Order and (where applicable) the Specification.
- 3.2. The Supplier shall ensure that all Goods and/or Services meet all relevant Specifications and shall promptly rectify at its own cost any Goods and/or Services which do not comply with any relevant Specification.
- 3.3. Where Goods and/or Services are produced to Specifications provided by the Supplier, the Supplier shall be responsible for any errors or omissions in such Specifications, whether the same have been approved by the Purchaser or not, and the Supplier shall, at its own expense, promptly correct all such errors and omissions in the Specifications and rectify or replace (at the Purchaser's option) the relevant Goods and/or reperform Services so that such Goods and/or Services comply with the correct Specifications.
- 3.4. Any Specification supplied by the Purchaser to the Supplier, or specifically produced by the Supplier for the Purchaser, together with the copyright, design rights or any other Intellectual Property Rights in the Specification, shall be the exclusive property of the Purchaser.
- 3.5. The Supplier shall comply with all Applicable Law concerning the Goods and/or Work Product (as applicable), including in relation to the manufacture, storage, packaging and delivery of the Goods.

#### **4. ACCEPTANCE and REJECTION**

- 4.1. Where no acceptance tests are set out, the Purchaser shall have the right to inspect delivered Goods after delivery and acceptance shall take place at the point the Goods are taken into final beneficial use by the Purchaser or 28 days after delivery, whichever is the earlier.
- 4.2. The Purchaser may by written notice to the Supplier reject any of the Goods which fail to meet the requirements in the Contract. Such notice shall be given within a reasonable time after delivery to the Purchaser of the relevant Goods. If the Purchaser rejects any of the Goods pursuant to this Condition 3, the Supplier shall at the Purchaser's sole option (without prejudice to its other rights and remedies) either repair the defective Goods as quickly as possible or (as the Purchaser shall elect in its sole discretion) replace the defective Goods with Goods which comply in all respects with the requirements under the Contract.
- 4.3. Any Goods rejected or returned by the Purchaser pursuant to this Condition 3 shall be returned to the Supplier at the Supplier's risk and expense.

#### **5. DELIVERY**

- 5.1. Time is of the essence regarding delivery schedule and as such any non conformance to schedule shall be classed as material breach. The Supplier shall notify the Purchaser immediately of any delays as soon as known or anticipated.
- 5.2. The Goods shall be packed by the Supplier in packaging suitable to protect for both the transportation and offloading at the Purchasers premises. Goods must be marked and provided with appropriate paperwork to suit nature of the product and the shipment method ensuring any hazardous goods are appropriately marked with contents and warnings.
